

Environmental Policy

ARCTIC SPIRE

Arctic Spire are aware that our business activities impact upon the environment and we are committed to ensuring these activities have the least possible detrimental effect. We are dedicated to:

- ▶ Complying fully with all relevant legal requirements, codes of practice and regulations.
- ▶ Assessing the environmental impacts of our operations, continuously seeking to reduce these impacts and improving our resource efficiency through reduction of energy, water use and waste.
- ▶ Promoting environmental and energy awareness in our employees through participation and training.
- ▶ Working with our customers to make more environmentally sensitive choices.
- ▶ Monitoring our progress to ensure ongoing improvements in our environmental performance.
- ▶ Communicate this policy to stakeholders and the public and work with our neighbours to reduce the impact of our operations.

These commitments will be carried out in line with our environmental policy.
